# GTMO Goes X-treme. . . Again!

Nine teams of men and women rowed, biked and ran their hearts out during the GTMO X-treme Adventure Race III sponsored by MWR on Saturday, Nov. 22.

The early morning adventure began with a eight-mile kayak trip from the Marina, around Hospital Cay, past and around several buoys and back to the Marina... just in time to jump on a bike for a 15-mile journey over some rough and rocky terrain. Next, despite tired legs, the teams had to run an eight-mile cross country course back to the Marina.

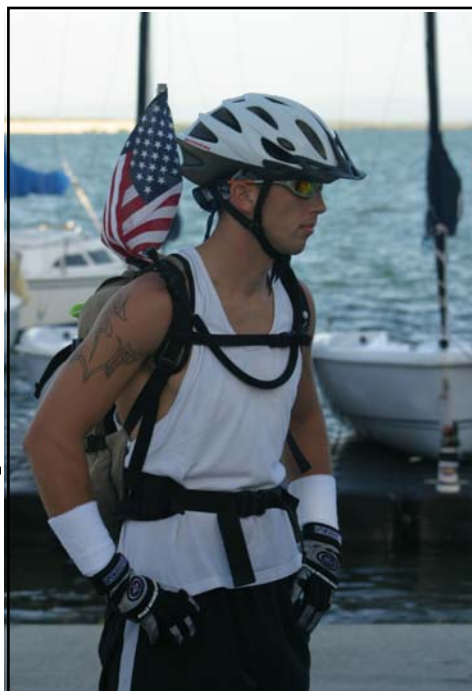

As the name of the event implies, this is the third time MWR employees

have held this "xtreme" event. MWR personnel work hard to design the event to be fun, but also to test a persons physical fitness limits. The only rule - teams must start and finish together. This made teamwork the key to winning.

All who participated received a free T-shirt, as well as additional prizes from MWR. Competitors who succeeded in using their teamwork skills and finished the race together received special completion awards. The top three teams also received 1st, 2nd and 3rd place trophies.

**Once again, the MWR staff put together a challenging course for the nine participating teams. To kick things off, adventures hit the water just after sunrise for an eight mile kayaking trip.**

**Hopping out of the water and into their biking gear, participants prepare for 15.3 mile trek over some rough terrain and rocky hills.**

**Turn to page 3 for more**

Photos by JOC Ric Evans and PH1Terry Matlock

**Some of the rocky down hill slopes proved just as difficult as the steep hills**

**Back on their bikes and racing toward the next event!**

**Throwing the bikes aside, team members had to hoof it cross country for about 8 miles to the finish line at the Sailing Center. Some teams stuck close together, while others just made sure their teammates didn't fall too far behind. The key to winning the adventure was teamwork!**

**And the winners of the X-treme Adventure are:**

**1st Place - NAVBASE GTMO Dive Locker  
Team members - John Theriot, Bill Dorman,  
Everett Hairston & Cheryl Hairston  
Time - 3:09:38**

**2nd Place - Naval Media Center  
Team members - Kristen Loeding, Jason Perry,  
John Cokos and Justin Young  
Time - 3:10:21**

**3rd Place - US Naval Hospital  
Team members - Richard Reed, Barbara  
Munro, Carmen Ross and Micah Webb  
Time - 3:14:49**

**Thank you to all who participated in this event!  
Hope to see you all back for the next  
X-treme Adventure!**
